Rule for the procedure during war in respect of applications for passage for journey from post outside India and payment for such passage.

Part 5, Group, May 12, 1941
[S.O. No. 25, 1941, Public Service]

No. 79.

In exercise of the powers conferred by paragraph (b) of sub-section (7) of section 232 of the Government of India Act, 1935, the Secretary to the Government of India is hereby pleased to make the following rule:—

The rule hereby made shall be in force for the period of the war.

Rule

Notwithstanding anything contained in the rules applying to the grant of passage to members of the Permanent and Ecclesiastical Services, a member of any rank or grade entitled to passage benefits may, in respect of a journey from a port outside India, apply to the Audit Office at India who will issue the necessary certificate to enable the applicant to arrange for a passage with the local representative or agent of the shipping company concerned. The Audit Office may also require the cost of passage (including port charges) to be paid in advance by the member concerned. Such advance shall be subject to the funds personally under the rules governing the grant of passage to the member and will be made on the stipulation of the member that he has already received or proposes to accept the necessary amount to meet the cost of the passage at his family at India. Until adjustment of the account which will be the occasion to keep under observation, will be made by the Audit Office on receipt of a certificate of payment showing the details from the shipping company or its agent, as the case may be.

S. V. RAMAIAH,
Chief Secretary.

List of candidates selected as suitable for appointment as Typist or Steno-typist in the Madras Meteorological Service, 1943.

On the results of the competitive examination held in October 1942, the following candidates have been selected by the Madras Public Service Commission as suitable for appointment as typist or stenotypist in the Madras Meteorological Service. The names of the candidates are arranged under each category in order of merit. The candidate who has not passed the Government Technical Examination in shorthand will be eligible for appointment as stenotypist.

1. The name of any candidate who fails, without adequate reason, to put an appointment when so directed, will be removed from the list and he will not be eligible for appointment on the strength of his position in the list. The question whether such a candidate will be permitted to appear for a subsequent examination, will be decided by the Commission on the merits of each case.

2. Every candidate should intimate promptly to the Collector of Madras any change in his address. If he fails to do so, he will run the risk of his name being removed from the list.

No. 20-B] MADRAS, TUESDAY EVENING, MAY 20, 1941

INDEX NUMBER OF WHOLESALE PRICES OF COMMODITIES FOR MADRAS CITY FOR THE MONTH OF APRIL 1941.

A RISE OF TWO POINTS.

The index number of wholesale prices for Madras City for April 1941 works out to 138 which is higher by two points than the index for the previous month. The index number for all commodities fell by one point to 129, whilst the index for the non-food articles advanced by four points to 155.

1. Among food articles, the index number for cereals fell by one point to 123 due to a decrease in the prices of some varieties of rice. A fall in the prices of some grains has reduced the index for the pulses group by one point to 146. The sugar and jaggery group came down by one point so it as a result of a fall in the price of some jaggery. Vegetable rice fell by one point to 150 on account of a fall in the price of vegetable and parman rice. The tea and coffee group rose by two points to 134 owing to a rise in the price of coffee and the group condiments and other articles of food rose by one point to 117 due to a sharp increase in the price of potatoes.

2. Under the non-food group, the mineral oils group increased by two points to 131 on account of a rise in the price of kerosene oil. A fall in the price of sherry and small quantities of tobacco had the effect of bringing down the index for the tobacco group by three points to 88. Oil seeds continued evenly at 78. Textiles rose by two points to 143 due to the increase in the price of some varieties of cotton yarns. As a result of an increase in the prices of tanned skins, the hides and skins group advanced by four points to 97. The metals group appreciated by 28 points to 118 consequent on an advance in the price of all metals. The group index in respect of building materials and other non-manufactured articles remained stationary at 124 and 141, respectively.
